*Note: If applying as a Rapid applicant: If you are not certified by one of the above qualified certifying entities, as determined by OEO, please contact our office before applying to ensure the certifying entity you are applying with qualifies for the Rapid process.*

[1 CSR 10-17.040 \(5\)](#) "The on-site review report from the primary certifying entity must be received by OEO. Certification by another certifying entity does not guarantee certification by OEO regardless of the other certifying entity which may have previously or currently certified a firm as a M/WBE, OEO will make an independent determination of whether the applicant firm will be certified."
