4) Click on the "Send me an email" button.

- 5) Go to email mailbox, email that looks like this will be in mailbox:
- a. Note this is time sensitive, the link will expire 5 minutes from when it is sent

- 6) Open the email and **choose one of two** options:
- a. Click on the “Reset Password” link in the email **OR**
 - b. Copy the verification code from the email. Then return to open browser page and click on the “Enter a verification code instead” link. Enter the verification code in the “Enter Code” box and click the “Verify” button.

- 7) Enter a **new, permanent password** (this will be the password used to log into the program in the future). Then click the “Reset Password” button
