Search Engine Optimization Strategy

United Nations Standard Products and Services (UNSPSC) Codes

- In your MBE/WBE application (initial, annual update, or recertification) and on MissouriBuys, ensure you select all codes that apply to what your firm can provide.

- These selected codes become part of the firm's searchable profile that may be used by primary contractors and suppliers seeking to partner with firms certified by OEO.

Primary Commodity or Service Provided

In your MBE/WBE application (initial, annual update, or recertification), make sure the *commodity or service provided* section is updated to:
